A TRACK RECORD OF SOLUTIONS

LOOKING FORWARD

IMPLEMENTING OUR 3-YEAR STRATEGIC PLAN WITH A FOCUS ON 3 PRIORITIES TO SCALE DEEP:

- Whole-community solutions for education equity: Expanding our parent leadership cohort and school leadership cohort programs, to launch in rest of APA’s 5 partner communities.
- Coaching residency institute: APA community coaches have been essential to our success. Now exploring how to build a pipeline of community coaches for all schools and beyond.
- Data for decision-making & school outcomes: Spreading APA’s data-driven approach, including equipping a network of local analysts and building robust data platform. Platform to become model for Ministry of Education.
